**CLASSIC SPIRAL STAIR KIT**

**MONO STRINGER STAIR KIT**

**PREFABRICATED**

**COMMERCIAL STAIR SYSTEMS**
- IBC compliant metal stair system
- Bolt together construction
- No welding required
- Ships flat packed for lower shipping cost
ErectaStep's Industrial Series line of metal stairs and industrial maintenance work platforms, feature modular, lightweight aluminum components that are as easy to reconfigure as they are to assemble. Installation only takes a few hours and requires little more than a wrench. That means no boom truck or heavy crane, most installations take little more than a hand truck and two installers.
8. Liens: ErectaStep provides final lien waivers when payment is received in full.

5. ErectaStep sale of goods covered by this quotation does not grant the Buyer any license or right of any kind under any patent owned or controlled by ErectaStep or under which the company is licensee.

2. Typographical errors are subject to correction.

4. All information supplied to the Buyer by ErectaStep may contain proprietary design information that belongs to and shall remain the property of ErectaStep. They may not be copied without the expressed written consent of an officer of ErectaStep. All information must be returned immediately upon demand.

5. ErectaStep sale of goods covered by this quotation does not grant the Buyer any license or right of any kind under any patent owned or controlled by ErectaStep or under which the company is licensee.

6. 2 Year Limited Warranty – See below

7. Returns. Returns must be in sellable condition and authorization in writing from our office and subject to a restocking fee. Unauthorized returns will be refused. The buyer is responsible for any freight charges.

8. Licens. ErectaStep provides final lien waivers when payment is received in full.

9. The field measurements utilized in formulating the prices for the equipment supplied by the Buyer or their representative. Any failure of the equipment to operate satisfactorily that is caused by incorrect data and/or design loads and use not as advertised are also not covered under the warranty. Any alteration in design or installation, failure to follow configuration guidelines as well as installation instructions provided with order. Design limitations can exist in the event the equipment not working or functioning properly caused by a change in working parameters that were unknown when loaded. ErectaStep reserves the right to alter the equipment to make it work properly without notice.

10. Buyer assumes liability for patent and copyright infringement when goods are made to Buyer’s specifications.

11. If the Buyer cancels an order prior to its completion, the Buyer agrees to pay to Seller the percentage of the selling price based on the percentage of the completion, plus any costs for the disposal of used material. The Seller would determine the percentage of completion.

12. Indemnity: Buyer shall indemnify and hold harmless ErectaStep, its affiliated companies, owners, employees, agents, and successors from and against any and all claims, expenses, liability, and loss arising from claims for injury, death, or damage to, or destruction of property arising from unauthorized repair or modifications to the products provided under this purchase order (quotation), as well as failure to properly maintain said products, improper use of said products, use of said products for anything other than their intended purpose, and/or the equipment not working or functioning properly caused by a change in working parameters that were unknown by ErectaStep.

WARRANTY

ErectaStep prides itself on its workmanship and quality. We strive for perfection in each and every part that we manufacture. All ErectaStep parts are warranted for 2 years against defects. Abuse, extraordinary corrosion, improper installation and other things out of control of ErectaStep are not covered under warranty. Warranty is limited to repair or replacement parts shipped ground to destination as determined by ErectaStep. No additional costs incurred due to warranty related parts are covered i.e. labor, loss of use.

INTENDED USE

All ErectaStep parts are pre-engineered with specific purpose for safe access and egress. It is very important to follow configuration guidelines as well as installation instructions provided with order. Design limitations exist with respect to required supports, adequate footings and prescribed application. Applied loads beyond the stated design loads and use not as advertised are also not covered under the warranty. Any alteration in design or intended use or purpose beyond ErectaStep’s recommendations or knowledge voids our warranty and liability against all claims. ErectaStep offers free design assistance to insure a safe, successful outcome to your project.
